## Activity – 5

PALS VLAB Development Workshop - 15th November 2021@10.00am - 12.30pm

We have successfully completed the PALS VLAB FDP program for the faculty coordinators of PALS Partner Institutes. Over 240 faculty members attended the FDP. Hope the experiential learning on the virtual labs is happening in the respective colleges.

Next step in the PALS VLAB initiative is the **Virtual Lab Development Activity**. We are glad to announce that the Development activity orientation workshop is scheduled to be conducted for all the interested faculty members, who have completed four months of Experiential Learning in their respective college.

This workshop is scheduled to be conducted on **15$^{th}$ November between 10.00AM – 12.30PM**. This workshop is open for all the VLAB Coordinators, faculty who are interested in the VLAB development activity.

**PALS – VLAB**

## FACULTY AND STUDENTS - DEVELOPMENT PROGRAM (FSDP) ON "INDUSTRIAL SAFETY"

PALS is glad to announce a program on – Industrial Safety

Given the rapid advances in technology, the scaling up of manufacturing activity, and the involvement of large teams in this endeavour, safety in the work environment becomes of paramount importance.This program by PALs seeks to provide a better appreciation of this important function for faculty and students of our partner institutes.

**Scope of program includes:**

- Industrial Hazards and Risk

- Risk Management principles

- Industrial practices

- Case studies from industry

- Industrial regulations and career prospects

**Date and Time:**

Nov 22nd (Monday), Time – 1.30 pm to 4-00 pm

Nov 23rd (Tuesday), Time - 1.30 pm to 4-00 pm.
